C. ON-GOING PROJECTS: Conflict of Interest and Others.

	Jan.	Feb.	Mar.	April	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
1. Property "Subject of" a Decision: Reg. 18704.2 sets out a list of situations in which an official's property is considered directly involved in a decision. The Commission has been asked whether this list is an exclusive list even in applying the indirect rule for materiality (i.e., where an official's real property is within 500 feet of the property that is the subject of a decision).	Adoption											
2. General Plans and Conflict of Interest (Regs 18704.2, 18707.1, and 18709): The Commission will consider whether clarifying amendments to the materiality or public generally regulations are needed regarding general plan decisions. May also include codification of "segmentation" rules.		IP Meeting		Pre-Notice		Adoption Pre-Notice		Adoption				

	Jan.	Feb.	Mar.	April	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
<p>3. Reg. 18709: Codification of segregation rules: Generally, the conflict of interest rules of the Act are applied on a decision-by-decision basis. Thus, where a major series of decisions can be “segmented” into smaller decisions, the official may be able to participate in some of those decisions. This reg codifies a process for segmentation.</p>				Pre- Notice		Adoption Pre- Notice		Adoption				
<p>4. Reg. 18700: Basic Rule: Guide to Conflict-of-Interest Regulations. In 1998 a chart was inserted into this regulation indicating the relocation of the various rules as part of the massive restructuring of the conflict-of-interest regulations, which were adopted that year. Since that time, the conflict-of-interest regulations have gone through several more revisions and the usefulness of the chart is diminished. The Commission will consider removing the chart.</p>	Proposal Adopted in 2002

<p>5. Small Cities - Public Generally-- Reg. 18707.3: Reg. 18707.3 provides an exception geared specifically toward small jurisdictions. Staff has been asked to review the regulation to see if language can be tailored to meet this unique concern of small cities.</p>	Repeal											
<p>6. Reg 18329.5: Formal Written Advice and Informal Assistance. This item includes procedures that will enable the Commission to effectively advise individuals, an agency, or code reviewing body, on the content of their conflict of interest code.</p>		IP Meeting		Adoption	<u>Adoption</u>							

	Jan.	Feb.	Mar.	April	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
7. Guidelines and procedures for filing officers/officials. 8. Reg 18370 State Agency Ethics Training: With passage of AB 3022, the requirement to receive ethics training has been expanded from high-level public officials to all officials required to file statements of economic interests. This may require revision to Reg. 18370.						Adoption <u>Not</u> <u>Needed</u>

9. Reg. 18703.3: Disclosure of Incentive Income. In re Hanko: On August 9, 2002, the Commission adopted <i>In re Hanko</i> (O-02-88), which held that payments to a hospital district director from her employer will be attributed to a purchaser of her employer's products under certain circumstances. <u>1. Proposition 34 and Recall Elections:</u> Proposition 34 exempts a state candidate who is the target of a recall elections from its contribution limits. (This project would place this exception in a regulation, and clarify the treatment of these types of elections under other provisions of the Act, such as the reporting rules in Chapter 4.)							Adoption					
<u>2. Aggregation under section 84308:</u> Section 84308 disqualifies any "officer" of a public agency, who is running or has run for elective office, from participating in decisions affecting his or her campaign contributors. The statute provides that when a closed corporation is a party (or participant), the majority shareholder of the corporation is also a party (or participant). This project considers whether further clarification of this aggregation rule is necessary.												Pre-Notice
